TRUSTEES' MEETING

P. E. LOOP URGED—NEW MANUFACTURING CO.—RECEPTION TO 160TH—NAMES CHANGED

The Board assembled at 8 p. m. Present at roll call Trustees Henry, Muhleman, Woodberry. Absent: Trustees Jackson, Shaw. Minutes of the last regular meeting were read and approved.

A large delegation of citizens was present as a committee to urge the opening and widening of Sycamore Road from the southerly terminus covered by the present proceedings southwesterly to the junction with Brand boulevard. Rev. W. E. Edmonds, chairman of the Chamber of Commerce and Railroad Committee, spoke on the importance of the proposed extension particularly in connection with the extension of the Pacific Electric Railway Company's tracks from the present terminus on Broadway. He presented to the Board of Trustees a petition accompanied by a map showing the proposed route, as indicated above. The petition was signed by the Glendale National Bank and about twenty-five other property owners interested in the district to be assessed for the opening and widening proceedings. The petition was received and ordered to be filed. In connection with this matter Mr. N. C. Wells, president of the Greater Glendale Development Association, and a number of members of the Railroad Committee, spoke in favor of the project. Mr. Hal Davenport favored the proposition as promising by the development which would naturally follow the proposed improvement, an increase of at least 30 per cent. in the assessed valuation of the city. On motion of Trustee Muhleman the petition was ordered to be filed, the request of the petitioners acceded to, and proceedings ordered to be started in accordance therewith.

A petition was presented from the American Agar Company requesting permission to enter into the manufacture of gelatine and kindred substances in that certain concrete building located in the City of Glendale upon what is known as the Salyer estate along Park avenue. Mr. Salyer spoke explanatory of the proposed enterprise and on motion of Trustee Muhleman request was granted.

A communication was read from H. J. Montgomery requesting permission to operate gasoline supply sta-

(Continued on Page 4)

A NEW COMER FROM IOWA

G. W. Jarvis, of Bradgate, Iowa, is inspecting Southern California with a view of locating here, and is looking now for that rare article, a bungalow to rent in Glendale. He is a friend of E. L. Osborne, formerly of Montrose Colorado, who owns property on Broadway and Columbus avenue which he is improving with bungalows. He is planning to build himself a home. Mr. Jarvis has been spending the winter in Palo Alto where he has a son in school. He reached Southern California Tuesday. It is his third trip to the State, but the first on which he has been accompanied by his family and he is now looking for a home.

CERRITOS DAD'S NIGHT

MISCELLANEOUS PROGRAM AND TALK BY R. D. WHITE ON SOLDIERS' MEMORIAL

An excellent crowd of parents and friends of pupils in the Cerritos Street School came out to enjoy "Fathers' Night" given by the Parent-Teacher Association of that school Thursday evening at the K. of P. Hall on Brand and Park avenue.

The hall had been made beautiful with floral decorations of purple and white Iris and asparagus fern by Mrs. Curtiss, teacher of the Eighth Grade, assisted by Gladys Goddard, Frances Goldsborough and Benton Moore.

A salute to the flag, led by Mrs. E. B. Moore, patriotic chairman of the P.-T. Federation marked the program followed by the singing of the "Star Spangled Banner" and "America."

The next number was a dance by Dorothy Dutton, "The Coquette," a very pretty demonstration, as was also dancing of little Doris Cook, who gave a Spanish dance in a fancy costume of scarlet and black later in the evening.

A piano solo was contributed by Gladys Martin and then William C. Wattles gave a beautiful exhibition of Indian club swinging. Part of the time the audience was in darkness while the clubs were illuminated by small electric lights. Gladys

D. A. R. MEETING

R. D. WHITE ADDRESSES ORGANIZATION ON PROPOSED MEMORIAL AND CENTER

Owing to the absence of Mr. and Mrs. J. H. Braly, who were called to the bedside of a relative who is very ill, the regular meeting of the Richard Gridley Chapter, D. A. R., was held at the home of J. H. Franklin on North Central avenue, Mrs. Mabel Franklin Ocker acting as hostess, assisted by her mother.

Mrs. T. W. Preston presided and the program consisted of readings from "Red Cross Rhymes" by Mrs. Gertrude Follansbee, which wrung the hearts of her hearers, at the beginning of the session, and Foley's "Somebody," in quite a different vein at the close, with an informal talk in between by Prof. R. D. White on the proposed soldiers' and sailors' memorial, civic center and park.

The ladies were deeply interested and questioned him not only in regard to the initial expense, but cost of maintenance of grounds and center. One lady asked if it would provide a place for young people to dance. Mr. White answered that matters of that sort would have to be determined after the center was secured and would depend altogether on public sentiment for or against dancing, that a small thing like that should not enter into the discussion now.

Mrs. Meeker voiced her approval of the project and said she hoped people would take into consideration the fact that the town is growing fast and not make the swimming pool too small. She had been impressed by this need because she had taken so many parties of boys and girls to the swimming pool at Brookside Park which the Pasadena people are now discovering is not big enough. She would like to see even more land than two blocks purchased.

Mr. White stated it would be a comparatively cheap and easy matter to make the swimming pool 50 by 150 instead of 50 by 100 feet and it would then be larger than the Brookside pool.

Mrs. Leppelman expressed the opinion that as planned now the park and center would perhaps be large enough except the swimming pool, and it would be better to strive for that amount than to attempt too much and fail to get anything.

Mrs. Preston declared she approved the project and had thought about it a great deal. "Even if we have to put up with one block, we would do well to get it," she said.

Mrs. Ocker thought it would be a mistake to cut down on the acreage because property is advancing and it will cost so much more later on.

Mr. White sustained her argument and said that the one block would provide for a civic center, but would leave little in the way of a park.

Mrs. Preston then stated that Mrs. A. D. Pearce had been appointed a delegate to represent the organization on the general promotion committee made up of representatives of the various clubs, lodges, and other organizations of Glendale, with the privilege of naming some other member to serve with her.

There being no further questions Mr. White made his adieus and after the concluding number by Mrs. Follansbee, refreshments of home-made cake and tea were served and a social half hour was enjoyed before the ladies separated.

GREATER THAN HE DREAMED

R. W. Motter and wife of Lyons, Rice county, Kansas, is spending a few days with friends of 40 years' standing, E. W. Lyons and wife, of 214 N. Louise. They came up Wednesday from Long Beach, where they spent two weeks with old friends and expect to remain over Sunday in Glendale and hear Rev. Clifford Cole preach. They heard him 12 years ago when he was preaching in Abilene, Kansas. They expect to go from here to Chehalis, Wash., to visit a daughter. Mr. Motter said he had heard a great deal of Southern California, its green valleys and snow-capped mountains, but when he got here he realized that the half had not been told him. We would not be at all surprised if the lure of Glendale yet proves strong enough to bring him back as a permanent resident.

NOW ANCHORED TO GLENDALE

H. C. Davidson and wife, with a young daughter, lived in Glendale three to five years ago, moving from here to Seattle, Wash. The memory of Glendale, however, was ever before them and at last they have come back to live and have bought the place they occupied before, at 423 Oak street. The daughter is married and lives in San Francisco.

BOLSHEVIK REVOLT AT VERNA

BRITISH TROOPS IMMEDIATELY OCCUPY TOWN AND DECLARE MARTIAL LAW IN BLACK SEA PORT

(Special Service to Glendale Evening News)

Paris, April 4.—A Sofia dispatch received today said that Socialists at Verna had attempted a Bolshevik revolt. British troops had immediately occupied the town and declared martial law.

Verna is an important Bulgarian port on the Black Sea.

FREDERICKS ENDEAVORS TO EXPLAIN

TELLS STORY OF HORACE KARR AND SAYS DISTRICT ATTORNEY WOOLWINE HAS BEEN BUNCOED

(Special Service to Glendale Evening News)

Los Angeles, April 4.—Captain John D. Fredericks, attorney for Mayor Woodman, today enlivened the graft probe situation by issuing a statement setting forth what he says is the story which Horace Karr, a political writer, told District Attorney Woolwine in his so-called "confession."

Fredericks says Karr told Woolwine that he drove a deal with George Henderson, negro politician, whereby Henderson would pay Carr $1,000 if he would have Sergeant William Hackett returned as head of the police purity squad. Then, Fredericks alleges, Karr tried to "salve" the mayor into reappointing Hackett. Fredericks declares that all of this means nothing, and he maintains that District Attorney Woolwine has been buncoed.

"Poor Fredericks! He seems to be completely stampeded. He should have more poise," was the only comment of District Attorney Woolwine on Fredericks' statement.

PHILIPPINE MISSION TO U. S.

SEEKS SELF-GOVERNMENT FOR THE ISLANDS, AND IS ENCOURAGED BY SECRETARY BAKER

(Special Service to Glendale Evening News)

Washington, April 4.—Secretary Baker today told the Philippine mission, which is here seeking self-government for the Philippines, that the time for Philippine independence substantially has come.

Forty Filipinos compose the mission, with Manuel L. Quezon, president of the Philippine Senate, acting as spokesman.

Quezon told Secretary Baker: "The islands stood by you in the fight for the rights and liberties of all nations," and "if the United States grants the Philippines independence, it will prove that America is a liberating rather than a conquering nation."

He declared: "The history of the American occupation of the islands is replete with achievements great and results splendid. You have treated us as no nation has ever treated another under its sway."

Baker told the mission that the time is close when independence will be fully accomplished, and that existing relations with the islands are merely "formalities."

He read part of a letter from President Wilson expressing regret that he could not meet the mission personally and expressing the hope that the mission would succeed "in bringing about the desirable end set forth in the joint resolution of the Philippine Legislature approving the sending of the mission to the United States."

PRESIDENT TAKEN SUDDENLY ILL

IS CONFINED TO HIS BED BY SEVERE COLD, BUT ADMIRAL GRAYSON CABLES THERE IS NO OCCASION TO WORRY

(Special Service to Glendale Evening News)

Washington, April 4.—Admiral Grayson, President Wilson's private physician, today cabled the White House that the President had been taken suddenly ill with a severe cold last night and is confined to his bed. Grayson said there is no occasion to worry at present.

LENINE'S PROPOSALS AN ULTIMATUM

TIME LIMIT FOR THEIR ACCEPTANCE, AFTER WHICH HE WILL CONSIDER ALLIANCE WITH GERMANY

(Special Service to Glendale Evening News)

Paris, April 4.—President Wilson was ill today and unable to attend any of the sessions of the peace delegates. It was announced that prompt treatment is expected to bring about quick recovery. Colonel House represented him at the conference of members of the "Big Four."

It was authoritatively learned that Russian Premier Lenine's proposal before the conference is virtually an ultimatum, in that it sets a time limit for acceptance, after which he will consider the reported German proposals for a German-Russian alliance.

RAINBOW DIVISION COMING HOME

Washington, April 4.—The War Department announced today that the entire Rainbow Division, with the exception of the ambulance and hospital organizations, has been listed for early convoy home. It includes the 117th Engineers, who were the first California unit called overseas.

SEEK P. E. LOOP

CITIZENS PETITION TRUSTEES FOR EXTENSION OF SYCAMORE CANYON ROAD

The long-anticipated P. E. loop which will open up to improvement acreage in the eastern portion of Glendale appears to be in sight. Thursday evening a delegation of citizens from that part of town and from the "Glendale Gateway" section, appeared before the City Trustees with a petition asking for the opening of an extension of the Sycamore Canyon Road in a southwesterly direction to join Brand boulevard.

Rev. W. E. Edmonds introduced the subject and first addressed the Board reminding them that seven years ago he was one of a group of men who took up the matter of an extension of the P. E. line up Broadway. Said he:

"We began activity at the corner of Brand and Broadway at the time the street was paved. We did this with the feeling it was for the benefit of the entire town. We are beginning now to realize more of the results of that work than at any time heretofore. From the very beginning we had the plan in mind and had talked over with the P. E. officials the loop system. We were laughed at by some people, but we spent our time and some of us have been all over this territory on foot going to the homes of people whom we could only see at night and spent a great deal of time on a project which we believed would be for the benefit of the town at large.

"The P. E. people have certainly been magnanimous with the community in giving the service we have as far east as the Childs Tract, and we believe the time is not far distant when this loop can be secured. I am speaking, gentlemen, of the opening of Sycamore Canyon and I hold here a map showing a part of this proposed boulevard with a list of names on a petition which I present to you in the name of the committee. We believe this would be the solution of our seven years of work. I do not believe there is need of any argument. I believe the Board is sufficiently acquainted with this territory to see the advantage it would be to this section and the entire city."

Norton C. Wells then spoke, saying: "This is a campaign of long expected pleasure. I reside in the 'Gateway' which will be the big entrance to the city, and the importance of this matter which naturally develops from annexation, has brought me out this evening and I want to say it is a great pleasure to see the spirit that is being manifested throughout the whole city. This will be a benefit to the city as a whole and it will give us who are living in the lower end of the city an opportunity to reach the eastern and northern portion without going out of our way. The car accommodations will naturally be of benefit to those living in this section and I do not believe it needs any argument to convince the Board it will be of great benefit to all concerned. I hope the Board will give it consideration."

Frank H. Vesper, who was the next speaker, said: "I was one of the first of those who entered into this arrangement, something like seven or eight years ago. I was the trustee in whose hands the money that had been subscribed was placed and I probably have made more explanations than anyone else. In fact, I had the supreme pleasure of being made the 'goat' even to the extent of being sued and brought up before Justice Miller in that connection. We feel you all appreciate the benefit that will come from this improvement and I hope the trustees will see their way clear to help it along."

City Attorney Evans then made some inquiry as to whether the route outlined in the petition and map exactly coincided with the route proposed in the original petition circulated seven years ago for which subscriptions were received. Mr. Davenport indicated that it did in a general way and that the original petition was for a railway right of way whereas this petition is for the opening of a boulevard which is expected to lead to a railway loop, but which is not to be taken into consideration now.

Mr. Vesper stated that he had collected $25,000 to $30,000 in subscriptions which had been expended for rights of way, etc.

W. W. McElroy then addressed the Board, saying: "In the opening of Sycamore Canyon Road there has been an investment, I believe, of $60,000, and it is not complete. We none of us want to see it remain incomplete. The pushing of the street on through will make it a complete project. We have put in the money for the upper part and they have put in money for the lower part and I

(Continued on Page 3)

COMMUNITY SING

CHORUS TO VISIT HOLLYWOOD MAY 13TH FOR ANOTHER SONG CONTEST

The audience at the Community Sing Thursday evening was not as large as has sometimes been present but it numbered between 200 and 300 singers, all earnest and enthusiastic. The officers report that more books have been sold recently showing that the chorus is being constantly augmented by new members.

Announcement was made that five weeks from next Tuesday or May 13th, the Glendale chorus will go to Hollywood to sing with the organization there in a competition to the one which took place in Glendale recently. On that occasion the leader wishes it to sing "The Soldier's Chorus", from Faust, and he gave special drill upon that last night. Excellent work was done and he seemed well pleased with the way members entered into it. He was also very much delighted with manner in which the chorus sang "Come Thou Almighty King" and "All Hail the Power of Jesus' Name." It was like an organ in its volume and melody and he declared if he could only get that bunch of singers together in a church they would raise the roof.

He gave considerable training in "Home Sweet Home," which, he said, is seldom sung properly, many people giving it a mournful interpretation entirely inconsistent with the spirit of the song. He told of hearing Patti sing it and how the audience had to wait until after nine o'clock for the concert to begin because she would not appear until her manager had $5,000 in hand, and how disgusted everybody was until she sang "Home, Sweet Home," when all felt repaid for everything. There is no reason for mournfulness, he insisted, because the homes out here are just as happy and prosperous as they were back east.

Mr. Mitchell, president of the organization, announced that the City Trustees who heard the chorus for the first time at the reception to soldiers and sailors given at the Methodist Church recently and there witnessed Mr. Kirchoffer's work as a leader, were so impressed by it that they have voluntarily increased the subscription made by the city for its support.

Mrs. Ella Richardson said she had been assured that her official duties would be light, but that she had been kept very busy receiving subscriptions at the door, a condition very gratifying to her.

COLORADO P.-T. A.

The Colorado Boulevard P.-T. A. held its regular meeting April 3d, at the school building. The president, Mrs. B. L. Cline, opened the meeting. Miss Waite led in the flag salute. The membership of this P.-T. A. entitles it to eight delegates to the Congress of Mothers, to be held in the Broadway auditorium, April 24th and 25th. The officers and chairmen of standing committees, Mrs. Oliver substituting for Miss Waite, were appointed as delegates.

The following officers were elected for next year: President, Mrs. B. L. Cline; vice-president, Mrs. Frank Chambers; secretary, Mrs. F. W. Kille; treasurer, Mrs. Clifford Cole.

The pupils of Mrs. Robinson will enjoy the cake and ice cream for having most guests present. At the close of the business session, little Miss Hunt, of the Pearl Keller dramatic school, gave a reading entitled, "Unexpected Guests," in a very pleasing manner. Mr. Cheeseman, of the Los Angeles Boy Scout headquarters, gave briefly how Boy Scout was formed, camp activities and their aims. His talk was very much appreciated, as we are glad to hear something for the boys as well as girls. A social half hour was spent in getting better acquainted.

HIGH SCHOOL P.-T. A.

The regular monthly meeting of the High School Parent-Teacher Association will be held Monday evening, April 7th, at 8 o'clock in the cafeteria. There will be a short, interesting program, after which the subject left over from the last meeting, "Social Activities in the High School," will be taken up. The committee appointed by the president to investigate the matter—under the plan for which the association voted at the last meeting—will make its report as to the advisability of the Parent-Teacher Association taking charge of social affairs to provide dancing and other entertainment for the young people of the high school at afternoon parties in the school gymnasium. A general expression from members is desired and a vote will be taken. All parents who have children in the high school are urged to be present.

The Supreme Test

Sustained speed and endurance are the prime requisites of the car YOU are going to purchase.

THE CHEVROLET

meets these conditions in a superlative degree, for not otherwise could it stand the terrific strain to which it was subjected in the

Santa Monica Races

Both first and second places were won by this unequalled piece of auto mechanism, piloted by drivers who did not spare their "mounts," but pushed them to the utmost limit.

Graceful body lines, noiseless action, sustained speed and endurance, all these make the Chevrolet desirable.

GLENDALE, CALIFORNIA, FRIDAY, APRIL 4, 1919

ORANGE LANDS ON TEN YEARS' TIME

The Mentone Groves Company of Mentone, Cal., is selling high-class orange lands for $300 per acre, requiring but five per cent. of the purchase price at the time of sale and no further payment on the principal for ten years. It furnishes one miner's inch of water to every five acres sold. The rate of interest is 6½ per cent. per annum, payable semi-annually.

The five, ten and twenty-acre tracts offered for sale adjoin old producing orange groves. Some adjoin the town of Mentone and some are within a few rods of mission olive groves which pay the owners $150 net per acre a year.

Personals

Mrs. David Bennett, who with her two charming children is visiting her parents in Los Angeles, spent Thursday in Glendale as the guest of Miss Eva Daniels of 324 West Colorado. She formerly resided in Glendale, but is now living in Ventura.

Mrs. J. Beleal of San Francisco, daughter of Mr. and Mrs. Charles Casselman, of West Elk avenue, left Glendale Thursday on the steamer President to return to her home. She came south to see her sister, Mrs. John P. Lampert, who recently underwent an operation and was in a critical condition, but is now improving.

SOLDIER CANVASSERS

Officials of the Glendale Red Cross Chapter report that excellent work is being done by the soldiers who are canvassing for subscriptions for the Red Cross Magazine. Glendale's quota is 210 and it seems likely it will be reached or exceeded. The men say that they are receiving very courteous treatment now. As stated some days ago, a good subscription list is essential to the magazine that it may secure good advertising patronage, and the advertising it gets is a considerable source of revenue to the national organization. The periodical is well worth the price asked and every person who orders it can feel he or she is a stockholder in an enterprise that brings an income to the Red Cross.

LITERARY SECTION STUDIES RUSSIA

The Literary Section of the Tuesday Afternoon Club met as usual at the home of the curator, Mrs. H. E. Bartlett, on North Brand boulevard, this week. Mrs. Gregg read a very fine and exhaustive paper on "Siberia," Mrs. Baker read a paper on "Russia's Relation to the War and a Forward Look," while Mrs. Harriet White presented Russian artists in painting, music and dancing. The section will have but three more program meetings. Next time Japan will be the subject.

COMMUNITY SUNRISE SERVICE

An interesting program is being planned by the committee in charge, which is composed of representatives from each of the young people's societies of the Protestant churches of the Glendale district, which had its first meeting last Tuesday evening at the Lutheran Church. A "Community Sunrise Easter Service" is to be held on the hilltop at the north end of Louise street in North Glendale April 20th at 6:30 o'clock.

NOTICE OF HEARING

Notice is hereby given: That the undersigned has filed with the Board of Trustees of the City of Glendale, County of Los Angeles, Cal., an application for a license to operate a freight bus line between Burbank and Los Angeles, via the streets of the City of Glendale, and that a hearing on said application will be held in the chamber of the Board of Trustees of the City of Glendale at the City Hall of said city, on Thursday, April 10, 1919, at 8 o'clock p. m.

think it should be put through."

Mr. Davenport: "By the opening up of this boulevard which will continue the part already opened up, you will have increased in a few years the assessed valuation of the city, especially that part, thirty or forty per cent. The taxes you will get from that increased valuation will cost you only two per cent. to collect and of course you know if any one would go to a merchant and offer to increase profits thirty or forty per cent. at an expense of only two per cent. he would jump at it. The land in that section is now selling at about $1,500 an acre, but when subdivided there will be five lots to the acre which will sell for $600 to $800 apiece, which would give you a valuation of $3,000 to $4,000 an acre, and that is one point the trustees should take into consideration."

On behalf of the Board, Chairman Woodberry said: "The Board of Trustees feels that it should meet this proposition more than half way. In opening up the Sycamore Canyon Road as we have done we went as far as we could go in protecting the southern district from damage by flood waters. I am more than pleased to see the people of the 'Gateway' taking an interest, and taking action to secure a boulevard that will be a wonderful scenic drive and that will serve as an artery between the east and west and is something the City of Glendale needs. I have no doubt of the sentiments of the Board in regard to this matter.

F. A. Alspach of 1213 Mariposa street then addressed the Board in regard to the opening of Mariposa street to the proposed extension of Sycamore Canyon Road and whether that could be incorporated as a part of the proceedings for the Sycamore Canyon extension; that it was a small matter, involving only about one hundred feet and the property owners were anxious to avoid unnecessary expense; that the land for at least a portion of the opening would probably have to be secured through condemnation proceedings.

Mr. Davenport stated he had supposed it could be made one proceeding and had so stated to persons whom he had talked with in regard to the matter.

City Attorney Evans, however, was of the opinion that under the law a separate proceeding is needed for each street opening, but said he would look into the matter further and that in any event the extra expense would be merely the cost of advertising.

The petition was then read by the City Clerk.

Trustee Muhleman moved "that the petition be filed, that the request of the petitioners be granted and that we proceed at once to carry out the purposes of the petition." Seconded by Trustee Henry and carried by vote of the Board.

Mr. Woodberry assured Mr. Alspach as the representative of property owners on Mariposa that the Board would consider the opening of Mariposa into the Sycamore Canyon boulevard a matter of necessity.

Tires and Tubes
? No. 1
Q. Why do Gates Half-Sole Tires outlast all ordinary guaranteed tires?
A. The Gates Half-Sole Tire has a distinct advantage over any other guaranteed tire manufactured.
Other tires have to stand an internal pressure of from 60 to 100 pounds per square inch; consequently the rubber tread is under great tension, so that it is easily cut or broken when it comes into violent contact with rocks, ruts or car tracks. The casing over which the Half-Sole Tire is applied holds the air pressure and the Gates Half-Sole Tire takes all the wear.

The City of GOODRICH Akron, Ohio

What Color Of A Tune Do You Like

Perhaps you don't realize there are pink pieces of music, red rags, violet jazz, and blue melodies.

Those who know best about music say so; and undoubtedly we have heard topical songs with a dash of lavender.

Color crops out everywhere. When Goodrich brought forth Black Tread rubber, the color caught; and soon a lot of tires were singing the black song in treads.

Of course it is quality, not color, that makes Goodrich treads outwear others.

The distinctive coloring of Silvertown Cord Tires, and their graceful modeling make them much sought by motorists to dress smart cars.

But Goodrich would make them ugly as an old shoe if ugliness would add another mile to their durability.

"Quality First" rules in Silvertown Cord Tires, and Silvertown quality lasts.

Get Silvertowns for service; beauty goes with it.

Buy Goodrich Tires from a Dealer

TRUSTEES' MEETING

(Continued from Page 1)

tion on the corner of Colorado and Louise streets. On motion of Trustee Henry the same was granted.

A letter was read from the League of Community Interest of Los Angeles calling attention to the return of the Seventh California National Guards, now known as the 160th United States Infantry, due to arrive in Los Angeles in a few days and requesting that citizens generally turn out in giving an enthusiastic greeting to this body of soldiers upon its return home. Communication was ordered to be filed.

An application to do street work by private contract starting 100 feet south of Broadway on the west side of Verdugo Road continuing 166 feet southerly, improvement to consist of five feet of cement walk, from William A. Burns, accompanied by a check for $5.00. On motion of Trustee Muhleman, request was granted, work to be done in accordance with the direction of the city engineer.

Reports were received and filed from the following city officials: Treasurer, Tax Collector, Health Officer and Recorder.

Demands were presented and referred to Finance Committee.

City Manager recommended the transfer of the sum of $100 from the Insurance Reserve Fund to the General Budget Fund and the transfer of $50 from the Insurance Reserve Fund to the General Service Fund. On motion of Trustee Henry recommendations were adopted and the transfer ordered to be made.

Trustee Muhleman presented an ordinance which was read and ordered to be laid over until next meeting changing the name of certain streets in the City of Glendale. Trustee Muhleman presented an ordinance which was read and ordered to be laid over until next meeting declaring intention of the Board of Trustees to order the laying out and opening of Orange street.

On motion of Trustee Muhleman the city treasurer was instructed to attend to bidding on behalf of the city the lots in the Max Muir tract declared delinquent for the non-payment of the assessment for the opening and widening of the Sycamore Canyon Road.

The city manager reported work on the improvement of Broadway proceeding satisfactorily.

Engineer of the Public Service Department made a report on material required for the lighting system in the Tropico District.

Engineer of the Public Service Department reported upon the contemplated extensions and improvements of the water system in Verdugo Canyon to the effect that while varying prices of material, and other circumstances would no doubt make some change in any estimate now presented, the approximate cost would be $180,000.

City Attorney reported in regard to suggested contract between the City of Glendale and the Edison Company in regard to proportionate liability in the event of any damage suit arising from the joint use of the same poles, that in his opinion such an agreement would be undesirable.

City Attorney presented a letter written to him by C. L. Chandler, attorney for the Forest Grove Land Company making certain propositions for compromise in regard to the questions at issue between the land company and certain water owners in Verdugo Canyon including the City of Glendale. On motion of Trustee Muhleman the letter was referred to the Committee of the Whole.

On motion of Trustee Muhleman the city clerk was instructed to advertise for bids for wire, to be opened at 8 p. m., April 17, 1919, for Municipal District No. 2.

On motion of Trustee Muhleman the city clerk was instructed to advertise for bids for wire to be opened at 8 p. m., April 17, 1919, one-fifth of said material to be used in Municipal District No. 2, and four-fifths for the use of the Public Service Department.

Adjourned.

NOTICE

Notice of the Filing of the Assessment for the Opening and Widening of Adams Street from the North Line of First Street to the South Line of Oakwood Avenue Together with a Diagram of the District to Be Assessed for Said Improvement.

Public notice is hereby given that the City Manager, ex-officio Street Superintendent of the City of Glendale has filed with the clerk of the Board of Trustees of said City an assessment for the opening and widening of Adams Street as contemplated in Ordinance No. 249 and No. 261, together with a diagram of the District to be assessed therefor.

The date of the first publication of this notice is March 29, 1919.

All parties interested are hereby required to file in writing their objection to the confirming of said assessment by the said Board of Trustees, with the City Clerk of said Board of Trustees within thirty (30) days after said date of the first publication of this notice, to-wit: the 29th day of March, 1919.

Persons signing objections must give Post-Office address.

J. C. SHERER,
City Clerk and ex-Officio Clerk of the Board of Trustees. 176t10

CERRITOS DAD'S NIGHT

(Continued from Page 1)

Martin provided his piano accompaniment.

Another greatly enjoyed feature was the singing of a male quartette composed of Doctors Lucas and Richardson, L. T. Rowley and Prof. Ernest Harwood.

Two readings in child dialect by Mrs. Eustace B. Moore were appreciated and warmly applauded and then Superintendent of Schools R. D. White was introduced as the speaker of the evening. His theme was the proposed memorial to soldiers and sailors and civic center and park. He presented the project in a very clear, convincing way and greatly impressed members of the Association, who, it is believed, generally favor the plan.

At the conclusion of his talk refreshments of coffee and sandwiches were served by Mrs. Goldsborough, chairman of refreshment committee, assisted by Mrs. William C. Wattles and some of the girls of the Cerritos School, and a social hour was enjoyed.

NOTICE

Notice of the Filing of the Assessment for the Opening and Widening of Eighth Street from the West Line of Verdugo Road to the East Line of Glendale Avenue Together with a Diagram of the District to Be Assessed for Said Improvement.

Public notice is hereby given that the City Manager, ex-officio Street Superintendent of the City of Glendale, has filed with the Clerk of the Board of Trustees of the said City an assessment for the opening and widening of Eighth Street as contemplated in Ordinance No. 294 and No. 297, together with a diagram of the District to be assessed therefor.

The date of the first publication of this notice is March 29, 1919.

All parties interested are hereby required to file in writing their objections to the confirming of said assessment by the said Board of Trustees with the City Clerk of said Board of Trustees within thirty (30) days after said date of the first publication of this notice, to-wit: the 29th day of March, 1919.

Persons signing objections must give Post-Office address.

J. C. SHERER,
City Clerk and ex-Officio Clerk of the Board of Trustees. 176t10

FATHER RALEY NONPLUSSED

The following item fell under the notice of Father O'Neill of Glendale who permits the Evening News to publish it, believing it will be of general interest. It first appeared in the Monthly Bulletin of the Knights of Columbus, Los Angeles:

Father Raley, chaplain from the Naval Base, was with us at the Council meeting March 25, 1919. We were reminded of an unusual incident in which Father Raley was given the surprise of his life. It was during the Third Degree initiation at Glendale a few months ago. Open-air Mass was said on the steps of the high school. Father Raley preached the sermon. During the course of his remarks he spoke on patriotism as a religious duty of all Catholics. Father Raley struck a responsive chord and received a tremendous outburst of applause. He was nonplussed, and after he had composed himself he stated: "In all my years as a Catholic priest, this is the first time that I ever received applause while preaching a sermon." Speaking as one who was present, I will state that the only reason Father Raley heretofore was not applauded on delivering his sermons was due to the fact that he was speaking in a Catholic Church.
